

SELLER'S ROAD MAP

1 MEET WITH A REAL ESTATE PROFESSIONAL

There's no commitment required on your part for the initial meeting. It will be educational and help you identify your next steps.

3 PREPARE YOUR HOME

View your home through the eyes of the buyer and ask yourself what you'd expect. Your agent will offer some useful suggestions.

2 ESTABLISH A PRICE

Your agent will provide a market analysis, which will help you set an asking price.

STRATEGIC PRICING

As difficult as it may be, it's important to review the market analysis and consider your home price objectively.

4 LIST FOR SALE

When everything is in place, your agent will put your home on the market. It's critical you make it as easy as possible for potential buyers to view your home.

5 SHOWINGS

Potential buyers may ask to see your home on short notice. It's best if you can accommodate these requests so you never miss a potential sale.

6 UNDER CONTRACT

At this point, you and the buyer have agreed to all of the terms of the offer and both parties have signed the agreement.

7 FINAL DETAILS

While under contract, the buyer will work with their mortgage provider to finalize the loan and perform other due diligence.

8 CLOSING

This is the transfer of funds and ownership. Depending on when the buyer moves into the home, you will need to be all packed up and ready to move.
